LEGISLATIVE ASSEMBLY

PRIVATE BILLS

Excerpts From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session.

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT (Effluent)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Richmond Canning Co. Ltd., 4415 Cambie Street, Vancouver, B.C. V5Z 2Y8, hereby applies to the Director for a permit to discharge effluent from a fish-processing plant located at Bella Coola Government Wharf, into the North Bentinck Arm of Burke Channel, which flows southwest and discharges into Fitzhugh Sound, and gives notice of application to all persons affected.

The land upon which the works are located is Foreshore Lot 1587, Range 3, Coast District.

The discharge shall be located at a point below low tide, 30 feet north of the outer edge of Bella Coola Government Wharf.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), 15,000 gallons. Maximum daily discharge, 40,000 gallons.

The operating period during which the effluent will be discharged is March 1 to October 31.

The characteristics of the effluent discharged shall be equivalent to or better than the following: Salmon dressing—BOD, 1.4 lb./1,000 lb. product; suspended solids, 1.0 lb./1,000 lb. product. Herring roe processing—BOD, 4.0 lb./1,000 lb. product; suspended solids, 3.5 lb./1,000 lb. product; other soluble oils, 3.5 lb./1,000 lb. product.

The type of treatment to be applied to the effluent before discharge is as follows: Process effluent—collection of process wastes, fine screening (0.020), and submerged outfall. Domestic wastes—24-hour septic-tank retention (500 gallons) and submerged outfall.

This application, dated December 7, 1978, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER
POLLUTION CONTROL ACT
(Emissions)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (3) of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

B. W. Creative Wood Industries Ltd., 19299—96th Avenue (RR 4), Surrey, B.C. V3T 4W2, hereby applies to the Director for a permit to discharge or emit contaminant(s) into the air from a wood spindle manufacturing plant located at 23282 River Road, Maple Ridge, and gives notice of application to all persons affected.

The land upon which the works are located is Parcel H, District Lot 275, Group 1, Sketch Plan 23959F.

The discharge or emission shall be located 800 feet south of Lougheed Highway, one-quarter mile west of intersection of McKay Road and River Road.

The rate of discharge is (dry basis): (a) Maximum, 4,900 SCFM; duration, 13

hours a day; frequency, continuous. (b) Average daily (based on normal daily operating period), 400 SCFM.

The operating period during which contaminant(s) will be discharged is intermittent, 24 hours a day, seven days a week.

The characteristics of the contaminant(s) to be discharged are as follows: (1) Fine wood dust—maximum, 0.10 gr/SCF. (2) Smoke—opacity to be 20 per cent or better for 90 per cent of the operating-time with a variance to a maximum opacity of 40 per cent for up to 10 per cent of the operating-time.

The type of treatment to be applied to the contaminant(s) is as follows: (1) Cyclone. (2) UKSV GENL Heizungskessel Boiler.

This application, dated December 14, 1978, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER
POLLUTION CONTROL ACT
(Effluent)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Otter District Farmers' Institute, Aldergrove, B.C., hereby applies to the Director for a permit to discharge effluent from a shopping centre located at Fraser Highway and 248th Street, and gives notice of application to all persons affected.

The land upon which the works are located is Lot 15, the northwest quarter of Section 26, Township 10, NWD.

The discharge shall be located at the northern end of property into a septic field.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), 4,500 gallons. Maximum daily discharge, 7,200 gallons.

The operating period during which the effluent will be discharged is 60 hours a week.

The characteristics of the effluent discharged shall be equivalent to or better than total solids, 80 mg/L; total suspended solids, 25 mg/L (max.); BOD, 15 mg/L (max.); pH range, 6.5–8.0; temperature range, 20–23°C; faecal coliform, 200/100 mL.

The type of treatment to be applied to the effluent before discharge is extended aeration.

This application, dated January 3, 1979, was posted on the ground in accordance with the Pollution Control Regulations.
